Offers of Artefact(s) / Archive Material

Thank you for thinking of us. Please note the following.

We do not generally accept items on loan. Our collecting policy is to collect only those items which

- do not duplicate items already in the collections and
- which relate specifically to
 - the town and local area or
 - people who live(d) in the town or local area.

Desk volunteers may not accept objects for the Museum, but they will give you a form asking for information about what you are offering. Please fill this in and we will get back to you with a decision (or a request to view the item(s)) when the Curator has considered your offer.

If you choose to leave an item for the Museum to look at, please note that although we will do our best to take care of it, we cannot accept responsibility for loss or damage. Also, objects left should be collected within a month unless the Curator agrees otherwise.

If we are not in a position to accept what you offer, it is possible that we may be able to suggest an appropriate museum, record office or gallery.
